

DOMAINE VENDANGE

2020 - VIN DE SAVOIE
La Côte - Jacquère

Located in Combe de Savoie, on the foothills of the Massif des Bauges, Domaine Vendange is spread over 10 hectares on South facing slopes. The Savoie region' grapes varieties , Jacquère, Altesse, Mondeuse, fully express their authenticity on those terroirs.

Diane and Benjamin started bottling their own wines in 2015. Prior to this, the fruits were brought to the coop since few generations. The vineyard is managed with a great respect of traditions and terroir using sustainable practices.
