

CHATEAU LA CROIX ST ANDRE

LALANDE-DE-POMEROL

Today, Château La Croix Saint André stands out among the wines of the region, due to the potential of its terroir, whose characteristics are similar to those of the Pomerol plateau, and also to the grape varieties that have been planted and the age of the vines (some are more than 50 years old!). The Carayon family have owned the property since 1965.

85% Merlot
15% Cabernet-Sauvignon

62.6°F
17°C

5-12 years

40 years
old
