## GRAVES

## Cuvée Les Parcelles

From generation to generation, Dominique Haverlan and his family remain faithful to the Bordeaux terroirs. Dominique embarked on the adventure alone in 1988 with the purchase of Vieux Château Gaubert in Portets. He expanded his vineyard in 2004 with the acquisition of vines in Pessac Léognan. His experience of the Graves terroir and the Bordeaux grape varieties allow him today to make superb wines such as Château Pontey Lamartine.
