

CHATEAU DE QUINÇAY

TOURAINÉ Sous les Platanes

Half way between the town of Bourges and Tours, the Cadart family has been running Château de Quinçay since 1860. Emmanuel, the ancestor was one of the youngest officer in the French army during Napoléon III. When he inherited his uncle's Château, he settled down in this peaceful valley. Emmanuel Cadart wanted to emphasize the expression of this unique location and soil by renovating the vineyard. The stables were turned into a modern winery. Since then, an elegant and diverse range of wine has been produced at Quinçay. Sauvignon Blanc represents more than half of the 30 hectares.
