

DOMAINE DURAND

IGP COLLINES RHODANIENNES

Rive Droite

This 23-hectare family estate is managed by the Durand brothers, Eric and Joël. The production revolves around 3 appellations within the Northern Rhône Valley: Saint-Joseph 8.5 ha, 9.5 ha in red and Saint-Péray 1.8 ha. The various grape varieties are planted on the steep granite slopes of the right bank of the Rhône as well as on some limestone foothills. The estate is run under sustainable agriculture, and the search for the best balance of the vine within its environment allows for the perfect expression of the different terroirs of the estate. The various manual cultural practices, along with the pursuit of optimal grape maturity, enable the production of exceptional wines.

100% Syrah

57-61°F
14-16°C

3-4 years

15 till 40
years old
